GENERAL INFORMATION

1. All teachers should be familiar with the following publications:
   (a) Circulars H.S. 1 and H.S. 1(a)
   Requirements for Diplomas and Statements of Standing 1967–1968.
   (b) Circular 14, 1967 and Supplements
   Textbooks
   (c) Curriculum P1, J1
   Interim Revision, Introduction and Guide.
   (d) Curriculum S-8
   Grade 13 Curriculum Bulletin, Suggested Changes for 1967/68.
   (e) Curriculum: 2
   Promotion from Grade 8 and admission to Grade 9 printed in 1950 and 1959.
   (f) Curriculum: 3
   Establishment of Local Committees on Curriculum 1950 and 1960.

2. Principals are reminded that the Department is unable to provide copies of the courses of study for individual pupils.

3. The term N.A. denotes that the course is not included in H.S. 1 for this particular grade or branch indicated. Administrators are aware that under certain circumstances particular schools may offer combinations of subjects which do not appear in H.S. 1.

4. The courses of study for Kindergarten and Grades 1 to 6 will be available during the coming year both in English and French. These are interim statements only, intended for use pending the report of the Provincial Committee on Aims and Objectives of Education. In the school year 1967–68, these courses may be adopted in whole or in part at the discretion of the local authority.

5. As each publication is completed, the Publications Office of the Department of Education sends copies to each school in the province. After the initial mailing, however, teachers should take the responsibility for providing themselves with copies of all curriculum publications. If, for any reason, a teacher needs another copy of any curriculum publication, he should direct a request through his principal to:

   Publications Office,
   Ontario Department of Education,
   44 Eglinton Avenue West,
   Toronto 12, Ontario.
